

MED Drawer

The Med Drawer is a Temperature Controlled container/drawer designed to function within an ambulance or rescue vehicle. Temperature controlled substances are accessed through 2 doors with quick action latches for fast access.

- Maintains critical medications at 70 degrees
- Installation in a variety of configurations
- Simple and effective installation
- Reliable and Robust technology
- Lockable quick action latches
- Dual door design is fast access for EMTs
- High tech insulation and thermoelectric cooling
- Internal digital temperature display

The unique adjacent door system allows for multiple mounting options. This feature creates the ability to have inside and outside access to the unit. Quick action latches are standard. *Key locking access is optional.*

Specifications:

The Med Drawer will operate at 12 or 24 VDC. Peak power consumption is 86 watts, 7 amps at 12 VDC, 3.5 amps at 24 VDC. Typical power consumption at nominal ambient temperatures (100F to 30F) is 30-60% of peak.

The Med Drawer is cooled / heated using a high efficiency thermoelectric cooling assembly. Internal temperature is factory set, custom temperature settings are available. Insulation is state of the art vacuum panels for maximum efficiency.

The Med Drawer contains no CFC's or harmful contaminants. Installation does not require special tools. Unit is field serviceable with the field service guide. Mount location does require 90 CFM of air movement to function properly. The Med Drawer can be configured to operate on 120/220 VAC with optional power conversion.

Ventilation Fans - Optional equipment that can help maintain airflow in enclosed compartments or storage areas on an ambulance or emergency vehicle. Pre-programmed to run when cabinet temperatures rise above 95 degrees F.

Med Drawer External Dimensions:

Front door to back engine: 21.3"
 Left to right: 20.25"
 Height: 9.25"

Med Drawer Internal Dimensions: (usable space)

Front to back: 14"
 Left to right: 18"
 Height: 6.85"

Item #	Description	Price
TT474	Med Drawer	\$2,000.00
TT475	Auxiliary Fans (set of 2)	\$92.85

 Not intended for the storage of blood.

Warranty: 1 year parts and labor.
